Appomattox County Library

By Verna Conner

Have you read "Centennial" by James Michener? If not, it is a must in your reading future. It deals with the North American West, especially Colorado - - from prehistory to the present. It has 909 pages, so don't tackle it in a day, a week or even two weeks if one is a slow reader. Someone said that Michener always led one to think his books would be dull but after reading the first few pages they got more and more interesting. This novel is based solidly on the facts of history but is told in such an entertaining way that one almost lives with the characters.

The following new books have just come in: **The Wallaces of Alabama** by George Wallace Jr., **Dowse on the Sandbank** by Elizabeth Peters, **Madame Serpent** by Jean Plaidy, **The Wreck of the Sea** by Phillipa Carr, **Next of Kin** by Gladys Carroll, **For the Defense** by Lee Bailey, **Splendor** by Phyllis Whitney, **The Stonewall Brigade** by Frank Slaughter, **The Money Tree** by Arthur Hailey, **Glory and the Lightning** by Taylor Caldwell.

Also the following new books for children: **Georgie Goes West** by Robert Bright, **The Baby Elephant's Story** by Alice Wellman, **The Electric Radish and Other Jokes** by Susan Thorndike, **Merle, the High Flying Squirrel** by Bill Peet, **The Runaway Roller Skate** by John Lord, **The Greenfall Mouse** by Leo Lionni, **Do Bears Have Mothers, Too** by Aileen Fisher, **Benji's Dog House** by Margaret Graham.

Don't forget - - the Library will be closed for the 4th of July so get your books early for the week end.

Cindy Guill

Elected State 4-H Vice-President

Cindy Guill, a 1975 graduate of Appomattox County High School, was elected vice-president representing all the 4-H'ers in the state of Virginia.

Cindy and 15 other 4-H'ers from Appomattox left Monday morning for a busy week, June 23-27, at the Virginia 4-H State Congress which was held at VPI & SU, Blacksburg, Va.

Cindy has been an active member of 4-H for nine years. She is a member of the Appomattox Community Senior 4-H Club. Cindy has participated in the 4-H Public Speaking and Share-The-Fun, and has been District winner and placed among the top in state competition.

Cindy is a member of the singing group "The Cloverettes" which won a scholarship to 4-H State Congress by winning First place in District competition. While at State Congress "The Cloverettes" performed and competed for first place in state competition along with approximately 65 other performers. The group was successful in the 1975 Share-The-Fun Program on Thursday evening, and won first place in the General Category. The Cloverettes received AM-FM Radios and the honor of representing various Share-The-Fun acts throughout the state.

At the start of the week Cindy heard that tryouts would be held for the Mistress of Ceremonies for the Share-The-Fun evening Program. A total of 25 young people, boys and girls tried out. At the end of tryouts it was announced Regina Ellis from Gloucester, and Cindy Guill from Appomattox, would be the 1975 4-H Mistresses of Ceremonies.

Cindy felt that the thought of winning the M-C tryouts was "GREAT", but what she also enjoyed was meeting and working with Mr. Stan Kingma, Director of the New Virginians, who was directing the 1975 4-H Share-The-Fun Program.

The week was a very busy but enjoyable one for all 4-H'ers. While running for the office of Vice-President Cindy had to deliver many speeches and campaign for her Election. She was very successful in all her elections. Wednesday evening at the assembly Cindy and two other delegates (who were MEN) and also running for the office of Vice-President, were ready to deliver their speeches for the 4-H State Congress. Voting took place Thursday morning. Delegates to the 1976 Congress Officers are as follows: Dennis Napier, Albemarle, President; Cindy Guill, Appomattox, Vice-President; Van Midgett, Hampton, Secretary; Kelvin Wells, Greensville, Parliamentarian.

Cindy is very excited about winning the election, she says,

Military Retirees and Disabled Veterans in Central Virginia

Dear Retiree:

1. Greetings from the Steering Commitee of the MRA! We are in the process of organizing a Military Retiree Association in the central Virginia area. We have prepared this newsletter to brief you as a retiree in our geographical area, on the purpose and goals of this projected organizaiton. We aim:

a. To have a strong voice in legislative matters, concerning military retirees (both at the state and national level);

b. to assist in the dissemination of information pertaining to rights, benefits, and privileges to which you, your dependents, or survivors may be entitled by virtue of your military service;

c. to strive to retain such rights and benefits which we rightfully earned and which were granted or promised to us while on active service;

d. to guard and protect ourselves against political forces and private interests who fail to understand the particular situation of the military retirees and disabled veterans;

e. to promote support and understanding in our local community.

2. We solicit your support, your ideas, your suggestions and your recommendations. We plan to have an educational presentation (time and place to be announced at a later date) concerning the Champus Program and VA benefits. Wives will be welcomed to this event.

3. Additional programs will be planned for the interest of all concerned once we are able to evaluate the degree of interest on the projected events. We hope to attract our congressional representatives and state delegates to come and "rap" with us.

4. We encourage you to join us in this common effort. There are no membership fees or charges planned. However, you may have a chance to make small contributions for coffee and postage service. The Central Virginia Community College has graciously offered their facilities in support of our effort. We certainly appreciate this gesture.

5. We do not have the names and addresses of all of those retirees and disabled veterans who might be interested in joining and supporting us. Will you please help us by writing a line with any comments or names and addresses of friends who would be eligible for membership?

You may write c/o:

They all are GREAT4-H really gives a young person the opportunity to grow, live, learn, and appreciate the value of 4-H in their individual lives. I want to say a big thank you to these 4-H'ers. East Central District, and the entire 4-H State Congress. Also, I probably would not have even stayed in 4-H for nine years had it not been for the many wonderful Extension Agents we have here in Appomattox: Mr. Frank Sweet, Mr. Cornell Goldman, and Mrs. Shirley Walton and others. Without their help and guidance I would never have been this successful in 4-H. Also, I want to thank my family members and friends who went up Thursday night to see the Cloverettes and me; Mrs. Hazel Guill, Mr. L. M. Thomas, Mrs.

Tops News

By Barbara Mayberry

Recently, on the Mike Douglas show, Diahann Carroll flatly refused to eat a hot fudge sundae presented to her by a staff member! Diahann, popular television and movie star, had just revealed that she hasn't eaten a sundae in 15 years, even though she has a passion for the gooey treat. According to Diahann, she has to constantly battle well-meant, but unwise attempts to persuade her to eat foods that would only add unwanted pounds. Seeing Totie Field's amazement, Diahann explained to the plump commedienne that she has better things to do with her life!

All too often the unfortunate dieter has to face temptation in the form of an over-protective relative or friend. Such unthinking people believe they are only being helpful, but they are actually adding to the dieter's burden, overweight, with all the resultant physical and mental problems. Usually the tempter uses the phrase that "a little bit won't hurt." It can and does hurt.

Joke Taken From The Reader's Digest: Plump matron spooning up hot fudge sundae, to friend: "I'm counting calories. So far today I've had 7614."

Bobbie Jean Mullins opened the June 23 meeting, and led the members in a general discussion. Member Kathleen Garlick read an article on image eating for the dieter. While you are eating, simply imagine yourself in an ideal situation, something that you can only dream about while you are overweight. This may help prevent overeating. Why don't you give it a try?

Tops Spot'lite #1 is on Sandra Martin. In nine weeks, Sandra lost a total of eight pounds to reach her goal on June 23. TOPS is proud of Sandra, because it takes just as much effort on Sandra's part to lose eight pounds as it may take someone else to lose twenty or more pounds. Congratulations!

At the June 30 meeting, Leader Doris Nash presided. The first order of business was the election of a new Co-Leader. Bobbie Mullins won the election, and TOPS members look forward to working with her and know that she will do a fine job in her new office. Congratulations, Bobbie! In other business, Doris led the members in a discussion of the proposed revisions of the chapter's by-laws. Next week members will vote on these, and it is hoped that all members will be present for this important meeting.

Tops Spot'lite #2 is on Willie Reynolds, who reached her goal at the June 30 meeting. Willie, a very popular member, was a consistent loser, with only one gain since she joined; she lost a total of twenty-one pounds. Three cheers for Willie!

Tops Tip For the Week is to brown meats in soy sauce instead of fats. Besides adding far fewer calories, it also saves your money and improves flavor and appearance! While one tablespoon of margarine contains 100 calories and one tablespoon of corn oil contains 125 calories, one tablespoon of soy sauce has only 12 calories! (Cook at low heat.)

Tops next meeting will be held on July 7, with weigh-in beginning at 6:30 p.m. at the Plaza Farmer's National Bank.
